Mrs. Mandy:

I am very sorry you feel that way, my job means something to me too, the main thing I wrote you about you didn't say anything about it, when I told you about coming back I thought I could get release of Absent like I did last year but I found out I could not. If you want me for two years I will be there, but if you want me for one year I will keep my job and for the money I will send you the money back, before I left Mrs. Mandy say he wanted me for two years but in your last letter you didn't say anything about how many years you wanted me you only wrote about the money you gave me for transportation you gave me and the \$350⁰⁰ per mo I would get. Well looking to hear from you soon, yours Turly Mackey.
